Good afternoon,

Update on the FY22 3B4D funding which include the ADP program.

BLUF: They are working on getting funding down to the lower levels and will provide a date when they have one.

The Process brief attached has some good information regarding how they arrived at this point. MCAS Yuma has done everything we needed to do up to this point as far as I can tell.

Thanks,

Good afternoon,

1. MPC-30 is working hard with our Financial Management Office (FMO) to release funds, once I know a date I will inform all.
Per slides 24 and 25 of the M&RA ELP process brief, the names provided on the KMR (Reviewer & Certifier) worksheet must submit a SAAR in Arms to gain access/authority to M&RA's DoDAAC.

2. Please provide updated documents as listed below:

(a) Errors:

[REDACTED] -- need the DAI certifier DD577; he provided the SLDCADA 577.
[REDACTED] -- DD577 not signed by appointee.
[REDACTED] -- not on KMR wksht and DD577 not signed by appointee.
[REDACTED] -- DD577 not signed by appointing official -- and NO M&RA does not sign. You should have one signed by Appointing Official.

(b) Missing the following DD577s:

[REDACTED] (CD&I)
[REDACTED] (HH)
[REDACTED] (Barstow) * see above
[REDACTED] (new river)
[REDACTED] (DMCS) * see above
[REDACTED] (Camp Lej)
[REDACTED] (MARFORNORTH)

(c) Commands with no certifier: please confirm if these are still needed.
